Chapter 22.80 - Definitions/Glossary

Sections:

22.80.010 - Purpose of Chapter

22.80.020 - Definitions Included by Reference

22.80.030 - Definitions of Land Uses, and Specialized Terms and Phrases

22.80.010 - Purpose of Chapter

This Chapter provides definitions of terms and phrases used in this Title that are technical or specialized, or that may not reflect common usage. If any of the definitions in this Chapter conflict with definitions in other provisions of this Code, these definitions shall control for the purposes of this Title. If a word is not defined in this Chapter, or in other provisions of this Code, the Director shall determine the correct definition.

22.80.020 - Definitions Included by Reference

In addition to the definitions in this Chapter, the following are incorporated into this Chapter as though they were fully set forth here:

- A. The definitions contained within the state of California "Policy and Guidelines for the Reclamation of Mined Lands," adopted by the Division of Mines and Geology in compliance with the California Administrative Code; and
- B. The definitions of land use categories contained within Chapter 7 of Part I of the Land Use Element of the San Luis Obispo County General Plan, as amended.

If any definition in this Title conflicts with a definition included by reference, this Title shall control.

22.80.030 - Definitions of Land Uses, and Specialized Terms and Phrases

As used in this Title, the following terms and phrases shall have the meaning ascribed to them in this Section, unless the context in which they are used clearly requires otherwise.

Ag Processing (land use). Establishments performing a variety of operations on crops after harvest, to prepare them for market on-site or further processing and packaging at a distance from the agricultural area including but not limited to: alfalfa cubing; hay baling and cubing; corn shelling; drying of corn, rice, hay, fruits and vegetables; pre-cooling and packaging of fresh or farm-dried fruits and vegetables; grain cleaning and custom grinding; custom grist mills; custom milling of flour, feed and grain; sorting, grading and packing of fruits and vegetables, tree nut hulling and shelling; cotton ginning; wineries, alcohol fuel production; and receiving and processing of green material, other than that produced on-site (commercial composting). Green material is any wastes which are derived from plant material, including but not limited to, leaves, grass clippings, weeds, tree trimmings or shrubbery cuttings. Note: any of the above activities performed in the field with mobile equipment not involving permanent buildings (with the exception of the receiving and processing of green material other than that produced on-site) are included under "Crop Production and Grazing." (SIC: 0723, 0724) (Amended 1995, Ord. 2740)

Agricultural Accessory Structure (land use). An uninhabited structure or building designed and built to store farm animals, implements, supplies or products (not including commercial greenhouses which are included under "Nursery Specialties," or buildings for agricultural processing activities) that contains no residential use and is not open to the public. Also includes greenhouses engaged in agricultural research as the primary use. Agricultural Accessory Structures can also include but not be limited to wind and solar powered devices used for direct climate control, and water pumping or other conversion of wind or solar energy to mechanical or thermal power used on-site. Wind energy conversion machines for electric power generation are separately defined. Includes barns, grain elevators, silos, and other similar buildings and structures. [Amended 1989, Ord. 2411; 1995, Ord. 2740]

Airfields and Landing Strips (land use). Transportation uses including any area of land or water used for the landing and take-off of aircraft as well as any appurtenant areas used for airport buildings, aircraft operations and related facilities. Public airports may include aircraft sales and car rental establishments, eating and drinking places, hotels and motels, restaurants, cocktail lounges, gift shops, newsstands, beauty and barber shops, and other similar commercial uses serving the air-traveling public and airport employees. Also includes agricultural, personal, restricted and public uses landing strips, and heliports.

Animal Facilities (land use). Intensive agricultural and other animal care or keeping establishments including: hog ranches, dairies, dairy and beef cattle feedlots (the distinction between a grazing operation and a feedlot is established by Article 4 (Standards for Specific Land Uses) and by the definition of "Animal Keeping"); livestock auction, sales building and sales lot facilities; chicken, turkey and other poultry ranches; riding academies, equestrian exhibition facilities and large scale horse ranches; veterinary medical facilities and service, animal hospitals and kennels; zoos. See also "Animal Keeping," "Crop Production and Grazing."

Animal Keeping (land use). The keeping, feeding or raising of animals as a commercial agricultural venture, avocation, hobby or school project, either as a principal land use or subordinate to a residential use. Includes the keeping of common farm animals, small-animal specialties such as rabbit farms and other fur-bearing animals; bee farms; aviaries; worm farms; household pets, etc. This definition does not include grazing, which involves the keeping of grazing animals at densities less than two animals per acre, and is instead included under the definition of "Crop Production and Grazing." See also "Animal Facilities."

Apparel Products (land use). Manufacturing establishments, known as the cutting-up and needle trades, producing clothing and fabricating products by cutting and sewing purchased woven or knit textile fabrics, and related materials such as leather, rubberized fabrics, plastics and furs. Included in the apparel industries are three types of establishments: (1) "regular" or inside factories; (2) contract factories; and (3) apparel jobbers. Regular factories perform all of the usual manufacturing functions within their own plant; the contract factories manufacture apparel from materials owned by others; and apparel jobbers perform the entrepreneurial functions of a manufacturing company, such as buying raw materials, designing and preparing samples, arranging for the manufacture of the garments from their materials and selling of the finished apparel. Also includes leather and leather products, tanning and finished products. Custom tailors and dressmakers not operating as a factory are not included. (SIC: Group 23)

Auto, Mobile Home and Vehicle Dealers and Supplies (land use). Retail trade establishments selling new and used automobiles, boats, vans, campers, trucks, mobile homes, recreational and utility trailers, motorized farm equipment, motorcycles, golf carts, snowmobile and jet-skis (except bicycles and mopeds, which are included under "General Merchandise"). Such dealerships include any sales of vehicles by an individual when more than six vehicles are sold in one calendar year. Also includes establishments selling new automobile parts, tires and accessories (including tire recapping establishments), as well as establishments dealing in used automobiles exclusively. Does not include establishments dealing exclusively in used parts, which are included under "Recycling and Scrap." Includes automobile repair shops only when maintained by an establishment selling new vehicles on the same site. Does not include "Service Stations," which are separately defined. (SIC: Group 55)

Auto and Vehicle Repair and Services (land use). Commercial Service establishments engaged in repair, alteration, restoration, towing, painting, cleaning or finishing of automobiles, trucks, recreational; vehicles, boats and other vehicles as a principal use, including the incidental wholesale and retail sale of vehicle parts as an accessory use. May also include rental of cars, trucks or trailers; leasing of cars and trucks, except finance (equity) leasing which is included under "Financial Services." Does not include: automobile parking (classified in "Transportation"); repair shops subordinate to and maintained by a vehicle dealership which are included under "Auto, Mobile Home and Vehicle Dealers and Supplies"; service stations (which are separately defined); or automobile wrecking yards (which are included under "Recycling and Scrap"). (SIC: Groups 751, 753, 754)

Automobile Service Stations and Gas Stations (land use). Retail trade establishments primarily engaged in the sale of gasoline, which may also provide lubrication, oil change and tune-up services and the sale of automotive products incidental to gasoline sales. May also include accessory towing, mechanical repair services and trailer rental, but does not include storage of wrecked or abandoned vehicles, paint spraying body and fender work. Does not include the retail sale of gasoline as a subordinate service to food and beverage retail sales when limited to not more than two pumps. (SIC: Group 554)

Bars and Night Clubs (land use). Establishments selling alcoholic beverages for on-site consumption, including facilities for dancing and other entertainment that are secondary and subordinate to the principal use of the establishment as a drinking place. Drinking places operated as subordinate service facilities within restaurants are instead included under the definition of "Restaurants."

Broadcast Studios (land use). Commercial and public communications uses including telegraph, telephone, radio and television broadcasting and receiving stations and studios, and motion picture studios, with facilities entirely within buildings. Transmission and receiving apparatus, such as towers, lines, reflectors and antennas are included under the definition for "Pipelines and Transmission Lines." (Amended 1995, Ord. 2740)

Building Materials and Hardware (land use). Retail trade establishments primarily engaged in selling lumber and other building materials including paint, wallpaper, glass, hardware, nursery stock, lawn and garden supplies. Includes all such stores selling to the general public, even if contractor sales account for a larger proportion of total sales. Also includes incidental retail ready-mix concrete operations. Establishments primarily selling plumbing, heating, and air conditioning equipment and electrical supplies are classified in "Wholesaling and distribution" (SIC: Group 52).

Business Support Services (land use). Service establishments primarily within buildings, providing other businesses with services including maintenance, repair and service, testing, rental, etc., also including: outdoor advertising services; mail advertising services (reproduction and shipping); blueprinting, photocopying, photofinishing, commercial art and design (production); film processing laboratories; services to structures such as window cleaning, exterminators, janitorial services; heavy equipment and business equipment repair services including welding repair and armature rewinding and repair (except vehicle repair which is included under "Auto and Vehicle Repair and Service"; computer related services (rental, repair, and maintenance); research and development laboratories, including testing facilities; soils and materials testing laboratories; protective services (other than office related); equipment rental businesses that are entirely within buildings (equipment rental yards are included under "Storage Yards and Sales Lots"), including leasing tools, machinery and other business items except vehicles; trading stamp services; and other business services of a "heavy service" nature (SIC: Group 73)

Caretaker Residence (land use). A permanent residence that is secondary or accessory to the primary use of the property. A caretaker dwelling is used for housing a caretaker employed on the site of any non-residential use where a caretaker is needed for security purposes or to provide 24-hour care or monitoring of people, plants, animals, equipment, or other conditions on the site.

Cemeteries and Columbariums (land use). Interment establishments engaged in subdividing property into cemetery lots and offering burial plots or air space for sale. Includes animal cemeteries; cemetery real estate operations; cemetery associations; cemetery, mausoleum and columbarium operations, including funeral parlors accessory to a cemetery or columbarium. Funeral parlors and related facilities as a principal use are listed under "Personal Services."

Chemical Products Manufacturing (land use). Manufacturing establishments producing basic chemicals and establishments creating products predominantly by chemical processes. Establishments classified in this major group manufacture three general classes of products: (1) basic chemicals such as acids, alkalies, salts, and organic chemicals; (2) chemical products to be used in further manufacture such as synthetic fibers, plastic materials, dry colors, and pigments; and (3) finished chemical products to be used for ultimate consumption such as drugs, cosmetics, and soaps; or to be used as materials or supplies in other industries such as paints, fertilizers, and explosives. Also includes sales and transportation establishments handling the chemicals described above in other than one of the uses incurred in the Retail Trade Group on Table O. (SIC: Group 28, 5161)

Clubs, Lodges, and Private Meeting Halls (land use). Permanent, headquarters-type and meeting facilities for organizations operating on a membership basis for the promotion of the interests of the members, including facilities for: business associations; professional membership organizations; labor unions and similar organizations; grange and farm centers (not including sales activities, which are included under "Farm Equipment and Supplies"); civic, social and fraternal organizations (not including lodging, which is under "Organizational Houses"); political organizations and other membership organizations. Does not include country clubs in conjunction with golf courses, which are included under "Outdoor Sports and Recreation." (SIC: Group 86, except religious organizations which are defined under "Churches.") [Amended 1995, Ord. 2740]

Communications Facilities (land use). Public, commercial and private electromagnetic and photoelectrical transmission, repeater and receiving stations for radio, television, telegraph, telephone, data network and other microwave applications; includes earth stations for satellite-based communications. Does not include home broadcasting and receiving antennas, which are included under "Residential Accessory Uses," or telephone, telegraph and cable television transmission facilities utilizing direct connections which are instead included under "Pipelines and Transmission Lines." (See also "Broadcasting Studios.")

Concrete, Gypsum, and Plaster Products (land use). Manufacturing establishments producing concrete building block, brick and all types of precast and prefabricated concrete products. Also includes ready-mix concrete batch plants, lime manufacturing, and the manufacture of gypsum products, such as plasterboard. A retail ready-mix concrete operation as an incidental use in conjunction with a building materials outlet or an equipment rental yard is defined under "Building Materials and Hardware" when in conjunction with a building materials outlet and under "Storage Yards and Sales Lots" when in conjunction with an equipment rental yard (SIC: Groups 326, 327).

Construction Contractors (land use). Service establishments primarily engaged in construction, including new work, additions, alterations, and repairs. Construction activities are generally administered or managed from a relatively fixed place of business, but actual construction work is performed at one or more different sites that may be dispersed geographically. Three broad types of construction activity are covered: (1) building construction by general contractors or by operative builders; (2) other construction by general contractors; and (3) construction by special trade contractors such as electrical, air conditioning and plumbing contractors, or others such as well drilling services. The installation of prefabricated buildings and equipment is also included. Business offices for such establishments which are not on the same site as work crew dispatching, equipment, vehicle or material storage for the establishment may also be considered under the definition of offices. An outdoor storage yard in conjunction with a contract construction service is also defined under "Storage Yards and Sales Lots" or "Temporary Construction Yards." (SIC: Groups 15, 16, 17)

Correctional Institutions (land use). Institutions for confinement and correction of offenders sentenced by a court. Halfway houses and homes for delinquents, or other facilities not under court order, are classified in "Residential Care." (SIC: Group 9223) (Amended 1995, Ord. 2740)

Crop Production and Grazing (land use). Agricultural uses including production of grains, field crops, vegetables, melons, fruits, tree nuts, flower fields and seed production, ornamental crops, tree and sod farms, associated crop preparation services and harvesting activities including but not limited to mechanical soil preparation, irrigation system construction, spraying, crop processing and sales in the field not involving a permanent structure. Also includes the raising or feeding of beef cattle, sheep and goats by grazing or pasturing. Does not include cattle feedlots, which are included under "Animal Facilities." The distinction between feedlots and grazing operations is established by Chapter 22.30. See also, "Animal Keeping."

Drive-In Theaters (land use). Facilities for outdoor presentation of motion pictures for viewing from vehicles, which may include subordinate eating places. Secondary outdoor uses sometimes associated with drive-in theaters (such as swap meets) are classified under "Storage Yards and Sales Lots."

Electric Generating Plants (land use). Facilities engaged in the generation and distribution of electrical energy for sale. The electricity may be generated from oil, gas, coal or nuclear fuels or from "alternate" sources including but not limited to water, wind, the sun, bio-gas, municipal or agricultural wastes. This includes "cogeneration," which means the sequential use of energy for the production of electrical and useful thermal energy. The sequence can be thermal use followed by electric power production or the reverse. See also "Wind Energy Conversion System."

Electronics, Equipment, and Appliances (land use). Establishments engaged in manufacturing machinery, apparatus and supplies for the generation, storage, transmission, transformation and utilization of electrical energy, including: electrical transmission and distribution equipment such as transformers, switch gear and switchboard apparatus; electrical industrial apparatus such as motors and generators, industrial controls, electrical welding apparatus; household appliances such as cooking equipment, refrigerators, home and farm freezers, household laundry equipment, electric housewares and fans, vacuum cleaners, sewing machines; electrical lighting and wiring equipment such as electric lamps, wiring devices, lighting fixtures, vehicular lighting equipment; radio and television receiving equipment such as television and radio sets, phonograph records and pre-recorded magnetic tape, telephone and telegraph apparatus; electronic components and accessories such as radio and TV receiving type electron tubes, cathode ray TV tubes, semiconductors and related devices; miscellaneous electrical machinery, equipment and supplies such as storage and primary batteries, X-ray apparatus and tubes, electromedical and electrotherapeutic apparatus, electrical equipment for internal combustion engines. Also includes: manufacturing establishments producing instruments (including professional and scientific) for measurement, testing, analysis and control, and their associated sensors and accessories; optical instruments and lenses; surveying and drafting instruments; surgical, medical, and dental instruments, equipment, and supplies; ophthalmic goods; photographic equipment and supplies; watches and clocks; avionics; electronic instruments, components and equipment including but not limited to integrated circuits, semiconductors, calculators and computers. Does not include testing laboratories (research and development, soils and materials testing, etc.), which are defined under "Business Support Services." (SIC: Group 36 and 38)

Farm Equipment and Supplies (land use). Establishments primarily engaged in sale, rental or repair of agricultural machinery and equipment for use in the preparation and maintenance of the soil, the planting and harvesting of crops, and other operations and processes pertaining to work on the farm; also dairy and other livestock equipment. Includes agricultural machinery (except the sale of trailers, tractors and other motorized, self-propelled farm vehicles, which are included under "Auto, Mobile Home and Vehicle Dealers and Supplies"), dairy farm machinery and equipment, irrigation equipment, poultry equipment and frost protection equipment; hay, grain and feed sales; retail sales of prepackaged fertilizer and agricultural sprays. Sales may include the final assembly of farm machinery, implements or equipment from component parts received from the manufacturer in a partially assembled state, but not the creation of such components from raw materials.

Farm Support Quarters (land use). Includes residences, rooming and boarding houses and mess halls for farm workers employed on and near land owned by the owner of the building site on which the quarters are located. [Amended 1992, Ord. 2544]

Financial Services (land use). Service establishments primarily engaged in the field of finance, including: banks and trust companies; lending and thrift institutions, credit agencies; brokers and dealers in securities and commodity contracts; security and commodity exchanges; holding (but not predominantly operating) companies; and other investment companies; vehicle finance (equity) leasing agencies. (SIC: Groups 60, 61, 62, 67)

Fisheries and Game Preserves (land use). Resource extraction operations engaged in commercial fishing (including marine-related animals, mammals, etc), and the operation of fish hatcheries, fish and game preserves, and game propagation. (SIC: Group 09)

Food and Beverage Products (land use). Manufacturing establishments producing or processing foods and beverages for human consumption and certain related products. Includes:

- bakery, sugar, and confectionery products
- beverages and liquors (except wineries; see "Ag Processing")
- bottled water production
- canned and preserve fruit and vegetables and related processing
- dairy products processing
- fats and oil products, including rendering plants
- grain mill products and by-products
- ice plants
- meat, poultry and seafood slaughtering, and curing, and by-product processing
- miscellaneous food preparation from raw products

Operations on crops after harvest are included under "Ag Processing." (SIC: Group 20)

Forestry (land use). Establishments primarily engaged in operation of timber tracts, tree farms, forest nurseries, and related activities such as reforestation services; also the gathering of gums barks, sap, moss and other forest products; also includes logging camps and sawmills (except for mills producing finished lumber, which are included under Lumber and Wood Products). (SIC: Groups 08, 241)

Fuel Dealers (land use). Retail trade establishments primarily engaged in the sale to consumers of fuel oil, butane, propane and liquefied petroleum gas (LPG), bottled or in bulk, as a principal use. (SIC: Group 598)

Furniture and Fixtures Products (land use). Manufacturers producing: wood and metal household furniture and appliances; bedsprings and mattresses; all types of office furniture and public building furniture and partitions, shelving, lockers and store furniture; and miscellaneous drapery hardware, window blinds and shades. Includes wood and cabinet shops. (SIC: Group 25)

Furniture, Home Furnishings and Equipment (land use). Retail trade establishments primarily engaged in selling home furnishings such as furniture, floor coverings, draperies, glass and chinaware, domestic stoves, refrigerators, other household electrical and gas appliances including televisions and home sound systems and outdoor furniture such as lawn furniture, movable spas and hot tubs. Establishments selling electrical and gas appliances are included only if the major part of their sales consist of articles for home use. Also includes the retail sale of office furniture and large musical instruments. (SIC: Group 57)

General Retail (land use). Retail trade establishments including department stores, variety stores, drug and discount stores, general stores, etc., engaged in retail sales of many lines of new and used merchandise, including: dry goods; apparel and accessories; small wares; sporting goods and equipment; bicycles and mopeds, musical instruments, arts and accessories, Also includes sales of miscellaneous shopping goods such as: books; stationery; jewelry; hobby materials, toys and games; cameras and photographic supplies; gifts, novelties and souvenirs; luggage and leather goods; fabrics and sewing supplies; florists and houseplant stores; cigar and newsstands; artists supplies; orthopedic supplies; religious goods handcrafted items (stores for which may include space for crafting operations when such area is subordinate to retail sales); and other miscellaneous retail shopping goods. (SIC: Groups 53, 56, 591-594)

Glass Products (land use). Manufacturing establishments producing flat glass and other glass products which are pressed, blown, or shaped from glass produced in the same establishment. Does not include artisan and craftsman type operations of a larger scale than home occupations, which are listed under "Small Scale Manufacturing." (SIC: Groups 321, 323)

Grocery Stores (land use). Retail trade establishments primarily engaged in selling food for home preparation and consumption, as well as the retail sale of packaged alcoholic beverages for consumption off the premises, including wine tasting facilities which are not on the same site as the winery. Establishments (except for wine tasting facilities) may include no more than two gas pumps as an accessory use. (SIC: Groups 54, 592)

Health Care Services (land use). Service establishments primarily engaged in furnishing medical, mental health, surgical and other personal health services including: medical, dental and psychiatric offices (mental health-related services including various types of counseling practiced by licensed individuals other than medical doctors or psychiatrists, or unlicensed individuals, are included under Offices); medical and dental laboratories; out-patient care facilities; and allied health services. Associations or groups primarily engaged in providing medical or other health services to members are included.
